Patents

Patents 1 - 7 on **hops latency content servers rule**. (0.06 seconds)

Replica routing

US Pat. 6052718 - Filed Jan 7, 1997 - Sightpath, Inc

width required to reach the distant network, the number of **hops** can be converted to
... performance metric can be utilized (such as bandwidth and **latency**). ...

Cost-based optimization for content distribution using dynamic protocol selection and query ...

US Pat. 6542964 - Filed Jun 2, 1999 - Blue Coat Systems

Thus, ICDS 50 may direct that the 5 **content** be cached under HTCP or even ICP, so
as to allow multiple cache **servers** in the hierarchy 52 to store a copy of ...

Method and system for adaptively prefetching objects from a network

US Pat. 7130890 - Filed Sep 4, 2002 - Hewlett-Packard Development Company, L.P.

The table lists, for different times of day, the **content** that was accessed ...

hops to the origin **servers**. More network **hops** would imply higher **latency**. ...

System and method for supervising use of shared storage by multiple caching **servers** physically ...

US Pat. 6868439 - Filed Apr 4, 2002 - Hewlett-Packard Development Company, L.P.

The **content** to be prefetched is determined by the usage table in Step 2. ...

hops to the origin **servers**. More network **hops** would imply higher **latency**. ...

Framework for integrating existing and new information technology applications and systems

US Pat. 7124413 - Filed Nov 3, 2000 - Accenture LLP

Content integration layer 208 provides the ability to share data, voice, ...

55 on the amount of **latency** that is acceptable: synchronous real-time access ...

Replica routing

US Pat. 7149771 - Filed Dec 28, 1999 - Cisco Technology, Inc.

For example, a server replica having **content** in the French language could offer to
... In this example, when multiple **servers** offer to service networks in ...

System and method for rewriting a media resource request and/or response between origin server ...

US Pat. 7013322 - Filed Jan 29, 2001 - WilTel Communications Group, LLC

10, the encoder 28 uplinks data received from **content** providers to the master
data center or centers 18, the regional 55 data **servers** 16 and the media ...

hops latency content servers rule

Patents

Patents 1 - 10 on hops latency content servers. (0.14 seconds)

Method and system for directing a flow between a client and a server

US Pat. 6006264 - Filed Mar 30, 1998 - Arrowpoint Communications, Inc.

Flow Pipes A **content-aware** flow switch can be used to front-end many web **servers**.

For example, referring to FIG. 1c, the flow switch 110 front-ends web ...

Method and apparatus for determining latency between multiple servers and a client

US Pat. 7058706 - Filed Sep 7, 2000 - Akamai Technologies, Inc.

In this example, the packets go through H1 **hops** 506 between ... A process for determining **latency** between multiple **servers** and a client across a network in ...

Content-aware switching of network packets

US Pat. 6449647 - Filed Sep 21, 1999 - Cisco Systems, Inc.

Flow Pipes A **content-aware** flow switch can be used to front-end many web **servers**.

For example, referring to FIG. 1c. the flow switch 110 front-ends web ...

Scalable domain name system with persistence and load balancing

US Pat. 6754706 - Filed Aug 11, 2000 - Speedera Networks, Inc.

The **latency** probes in the invention are responsible for sending DNS **servers** **latency** metric information. A given POP (cluster of machines) in the network can ...

User device and system for traffic management and content distribution over a world wide area ...

US Pat. 6484143 - Filed Aug 18, 2000 - Speedera Networks, Inc.

One way to reduce packet loss and **latency** is to install **content servers** closer to users and ensure that when a user requests data, the request is routed to ...

Method for predictive prefetching of information over a communications network ...

US Pat. 5802292 - Filed Apr 28, 1995 - Digital Equipment Corporation

If so, then at step 118 me many (but not all) users of many omer **servers**. client ... object or objects, so that the retrieval **latency** for be provided. ...

System and method for providing protocol translation and filtering to access the world wide web ...

US Pat. 5673322 - Filed Mar 22, 1996 - Bell Communications Research, Inc.

Data **latency** refers to the time delays fications for connecting wireless and low-bandwidth net- created by multiple **hops** and slow links as data travels ...

Replica routing

US Pat. 6052718 - Filed Jan 7, 1997 - Sightpath, Inc

width required to reach the distant network, the number of **hops** can be converted to ... performance metric can be utilized (such as bandwidth and **latency**). ...

Dynamic page generation acceleration using component-level caching

US Pat. 6622168 - Filed Nov 24, 2000 - Chutney Technologies, Inc.
